• **Plaintiff's Reply Claim Construction Brief: September 10, 2012**

On May 29, 2012, the parties made a previous request for an extension of the claim construction briefing deadlines, which request was granted. The present extension request will not affect any other scheduled dates. Plaintiff has conferred with counsel for the other parties in this matter, and all other parties have agreed to the modified briefing deadlines as set forth above in order to accommodate, among other things, certain medical issues encountered by counsel for the Plaintiff. Accordingly, we respectfully ask the Court to grant this application to modify the briefing deadlines as set forth above.

Respectfully submitted,

Joshua L. Raskin
